The 2008 Children's Nature Camp is coordinated with the Summer Reading Program on BUGS at Parnell Memorial Library and designed with the help of the nonprofit group Fresh Air Family. The MISSION of the nature camp is to connect children with the out-of-doors through nature-based, eco-friendly experiences. The GOAL of the activities is to enable children to be confident and comfortable outdoors as they have fun, learn about the natural environment, and grow in their desire to preserve it. Activities involving art, music, reading, writing, storytelling, dance, hiking, and field trips will be used to explore and study nature.

ENROLLMENT IN THE NATURE CAMP FOR CHILDREN IS LIMITED TO TWENTY-FIVE, SO REGISTER EARLY TO BE SURE OF HAVING A PLACE.

SPONSORS:

The camp is free to participants, thanks to the generosity of the sponsors.
